

**REMARKS**

Responsive to the Notice dated October 12, 2001, submitted herewith are 14 sheets of substitute drawings.

The specification has been amended to include the Sequence Listing submitted herewith on separate sheets. Entry of the Sequence Listing does not raise the issue of new matter as the sequence information contained therein is presented in the application as originally filed. A computer readable copy of the Sequence Listing submitted herewith was filed in grandparent Application No. 08/460,673, filed June 2, 1995. The paper copy of the Sequence Listing submitted herewith differs from the computer readable copy filed in the grandparent case only from the standpoint of details provided under the heading "General Information". Otherwise, the paper copy of the Sequence Listing submitted herewith and the computer readable copy submitted in the grandparent case are the same. It is hereby requested that the computer readable copy of the Sequence Listing filed in connection with Application No. 08/460,673 be used in connection with the present case as well.

An early and favorable Action on the merits is requested.

HAYNES, Barton F.  
Serial No. 09/956,940

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
